

EDUCATION COACHING PROFESSIONAL CERTIFICATE FOR SCHOOL ADMINISTRATORS, TEAM LEADERS, AND TEACHERS

COACH YOUR WAY TO YOUR SCHOOL'S TRANSFORMATION!

Good coaching is an integral part of transforming relationships and creating a success-oriented school community. In education, this translates directly to improving school climate and academic results, while building and maintaining a culture of support and opportunity. If you believe your colleagues are the real source of your winning advantage, then learning how to coach is an investment you can afford to make!

YOU WILL LEARN HOW TO USE PROFESSIONAL DEVELOPMENT TECHNOLOGY TO TRANSFORM YOUR SCHOOL:

- Eliciting greatness in yourself and others
- Focusing in on what is most important
- Planning and goal setting for the 21st century
- Increase your connectivity

WHAT WILL THIS PROGRAM DO FOR YOU?

- Create positive results in your school
- Stay energized in the midst of change
- Receive immediate feedback from qualified instructors on your coaching style in a safe learning environment
- Walk away with a plan to bring out the best in your staff and the talent in your school

WHO SHOULD ATTEND?

- All educators expanding their skills in social intelligence
- Administrators and teacher-leaders seeking to get the best out of their teams
- Education professionals wanting to improve their staff's performance
- Decision-makers looking to create better relationships and better results

CONTINUOUS LEARNING:

"I REALLY enjoy these follow up sessions. I think they make all the difference in the world. I learned so much on the last one. The widely diverse insights and experiences gave me new perspectives that I took back to work and was able to apply immediately."

– Gordon Clements
