

FOCUS ON CAREERS IN BUSINESS

Make a lasting investment in yourself. Return to college to advance your career with a business certificate or masters degree. The University of Vermont has the only nationally accredited business school in the state of Vermont. Increase your credentials by exploring the many professional development opportunities available to you at UVM.

BECOME A CERTIFIED PUBLIC ACCOUNTANT

Becoming a CPA is challenging, but it is a rewarding path for those willing to undertake the course of study. Completion of courses in UVM's CPA preparation sequence fulfills the academic requirements to sit for the CPA examination in Vermont.

CAREER ADVANCEMENT WITH A UNDERGRADUATE CERTIFICATE

The Computer Software or Public Communication Certificates can be used to improve your employment eligibility or advance your career in information technology or marketing communications. These undergraduate level certificates can be completed on their own or while working towards or preparing for a college degree.

PREPARE FOR A MASTERS PROGRAM

Begin working toward your master's degree by completing the required prerequisite courses for UVM's Masters in Business Administration, Public Administration or Accountancy. Start your degree today by taking up to 3 courses toward your master's degree before being admitted into any of these programs.

CERTIFICATE PROGRAMS FOR LEADERS AND MANAGERS

Earn a certificate in Leadership & Management, Healthcare Management, or Business Coaching through the Vermont Business Center at the UVM School of Business Administration. Management development seminars are also offered and designed specifically for mid-to high-level managers and decision-makers. These seminars provide essential, practical skills and a working knowledge of how to compete in a dynamic global economy.

GREEN YOUR CAREER

UVM's Institute for Global Sustainability offers courses and certificates to foster sustainable business approaches. Develop the skills to build collaborative partnerships across organizations, integrate sustainable business practices in your organization, or start your own social enterprise. Enhance your career and employment options by learning how to solve complex environmental issues by earning a Certificate in Graduate Study in Ecological Design or green your MBA at UVM by completing a Certificate in Graduate Study in Ecological Economics.

COURSES FOR THE CHANGING WORKPLACE

Managing the realities of a global and diverse workforce requires knowledge, understanding and skill. UVM offers courses that will help you gain the skills to manage organizational change, human resources, changing labor markets and explore the challenges faced by women in leadership. Enhance your skills to address the ongoing workforce challenges in your business and prepare for the future. uvm.edu/vbc/summer_courses
