FLPA Refund Policy

By submitting the pre-registration forms, you acknowledge that starting today **$500 of the program fee is NON-REFUNDABLE**, even if you later decide that you do not want to formally register for the course.

Program fee refunds must be **requested in writing** to Continuing Education **45 days or more** before departure. A portion of the program fee **MAY be returned**, **excluding the $500 non-refundable deposit AND non-recoverable costs**. Non-recoverable costs are funds that UVM has already committed that cannot be recovered from service providers for expenses that may include, but are not limited to, housing, ground transportation, and entrance fees.

**No refund** of a program fee shall be made less than 45 days before departure. Refund of airfare must be directly pursued with the airline. Refund of tuition follows the UVM tuition refund schedule.

For disciplinary reasons, a student may be sent home at his/her own expense, without any refund, at the discretion of the Faculty Director.

If UVM cancels the course due to insufficient enrollment, you will receive a full refund.

"**If your course is not offered through Continuing Education (CE) or the College of Education and Social Services, please consult your professor regarding the refund policy relevant to your course.**"

By checking the box on the pre-registration forms, you verify that you have read, understand, and agree to the program fee and refund policy, as stated above.
