Brand New Short Courses

DMI

**TRACKS**

eCommerce

[go.uvm.edu/dmspecialist](https://go.uvm.edu/dmspecialist)

Interested in developing your eCommerce skills even further? Are you ready to take the next step in improving your career capabilities?

Why not open doors to new opportunities with our **eCommerce DMI Tracks**. This brand new short course is tailor made for those who are already working in a eCommerce position, but are eager to master their skills for an evolving digital world.

### **What It's All About?**

You're probably wondering, what are DMI Tracks? They are designed to deliver **Just-in-Time learning** and digital readiness for students and professionals alike. Our Tracks consist of specialized bite-sized lessons, complete with interactive learning tools that target competency and readiness for those in specific digital marketing roles and disciplines. They focus on upskilling and providing performance support for people in digital marketing roles who want to be on top of their professional game.

## How are DMI Tracks Different?

DMI Tracks are not like your average course. In fact, they're much different. They contain a broad variety of interactive tools to suit all learning styles. Each DMI Track is bursting with the latest industry insights, expert driven case studies and best practices, quick reads, webinars, presentations, downloadable tools and much more. DMI Tracks content can be consumed in any sequence, and they're designed to deliver learning in short bursts. Varying between 8-12 hours, each DMI Track will award you an Associate Certification.

### Each course includes:

- Cutting Edge Content
- Interactive Learning
- Performance Support and 'Readiness'
- Quick Reads
- Toolkits and Templates
- Soft Skills
- Relevant Technical Skills

### Who Is It for?

The eCommerce DMI Track is aimed at:

- eCommerce Analysts
- eCommerce Managers, Head of eCommerce, eCommerce Directors
- Web Developers & Web Designer
- Digital Account Managers
- Sales Directors
- Digital Marketing Executives
- Content Analysts
- Copywriters
