

UVM College of Medicine Summer Medical School Prep Program

Hi Student,

You've already put in a lot of effort to get ready for Med School. **UVM's Summer Medical School Prep program** will help you to figure out just how ready you are and help you:

- Prepare for the revised MCAT
- Build clinical experience
- Learn essential interview skills for medical school

Students who successfully complete the program will have a detailed personalized assessment document to support their application to medical school.

"The students who take this program really want to go to Medical school... My immediate goal would be to provide students with the confidence that they are ready for medical school." - Dr. Paula Tracy, UVM Director of Pre-Clinical Assessment in the College of Medicine

Watch this 3 minute [video](#) highlighted on the program website, to discover how we will give you the confidence to get accepted into Med School.

Kind Regards,

Colleen Fairchild
