

UVM College of Medicine Summer Med School Prep Program

Hi Student,

Some programs just teach you how to take the test.

[Our Summer Med School Prep Program](#) will not only help you prepare for the revised MCAT, more importantly, it will help you be better prepared for medical school.

Students will have the opportunity to:

- Expand their clinical experiences by participating in organized shadowing opportunities with physicians in various specialties at UVM Medical Center.
- Practice for medical school interviews at one of the most selective medical programs in the country through mock multiple mini interviews.
- Perform virtual medical procedures in the University of Vermont's state-of-the-art medical simulation center.
- Prepare for the revised MCAT with didactic sessions and practice questions integrating all areas covered on the revised MCAT

**Every year 50,000 Pre-Med Students are Almost in...
30,000 don't get in, but 20,000 do.**

Which Group Will You Fall Into?

[Enroll Now](#)

The UVM Summer Med School Prep Program will help you finish strong.
Go beyond almost. Realize your potential. **Get in!**

The Program Director, Dr. Paula Tracy, was recently featured in our Blog, highlighting some of the program's benefits. Click [HERE](#) to read it
