IT IS YOUR TIME TO LEAD.

The Professional Certificate in Leadership and Management provides students with business management skills including the key concepts, vocabulary and analytical tools essential for effective management and strategic decision making. The certificate consists of nine full-day seminars which can also be taken individually.

**BENEFITS OF THE CERTIFICATE**
- Prepares participants for advancement in their careers
- Increases strategic thinking and decision analysis skills using management tools and analytical frameworks
- Refines leadership, strategy, sales, marketing, finance, and human resources skills
- Minimizes time away from work and family through intensive, day-long seminars

**WHAT MAKES YOUR EXPERIENCE BETTER?**
In addition to offering a comprehensive program in which information from each seminar builds upon the previous content, the Leadership & Management Professional Certificate Program offers:
- Quality University of Vermont faculty and instructors
- Interactive and engaging seminar format

“*The program has been helpful in a very practical sense. Because I’m in business, this is more than an intellectual exercise. It’s actually taking the information that I might learn on a Friday and putting it to use with a client on Monday.*”

— Robert Clifford Uezz, R. C. Uezz and Associates, LLC, Jericho, VT

“We have a leadership team at work, and as a group we work very closely together. We’d been seeking a leadership program to really bring us together as a team. With the VBC program, we’ve learned to work together in a completely different way.”

— Bart Mair, Health Care and Rehabilitation Services, Springfield, VT
