

UVM College of Medicine Summer Medical School Prep Program

DRAFT - April 2017

Course Dates & Classroom Location:

June 19, 2017 in Carpenter Auditorium and

June 20 - July 13, 2017 in MedEd Center Room 200

(Note: Additional Session on Friday, July 7, 2017 to enable time off on July 4th)

Site Visits/Experiential Learning Sessions: Various Locations

Dates: June 19 – July 13 (4 weeks)

Times: Monday, Tuesday, Wednesday, and Thursday with Classroom Sessions or Site Visit Rotations from 9am-12:00pm and Experiential Activities, Independent Learning, and/or Mentorship Meetings each day starting at 1:00pm. Once per week, on either Monday, Tuesday or Wednesday evening from 6:30 – 8:30 PM, a Reflection activity, facilitated by clinical faculty, will be held. The goal of these sessions is to help students develop their capacities for continuous reflection and improvement by developing effective communication and listening skills.

Monday, June 19, 2017 in Carpenter Auditorium

Schedule	Session Title/Topic
9:00am-12:00pm	Welcome & Program Introduction
12:00-1:00pm	Lunch
1:00-3:00pm	Introduction to Clinical Simulation and Standardized Patient Practice
3:15-4:15pm	Personalized Learning

Tuesday, June 20, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Clinical Simulation Lab & Standardized Patient Rotations

Wednesday, June 21, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Clinical Simulation Lab & Standardized Patient Rotations

Thursday, June 22, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	AAMC Competency Based Medical Admissions Presentation and Q & A

Monday, June 26, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Personalized Clinical Shadowing

Tuesday, June 27, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Personalized Clinical Shadowing

Wednesday, June 28, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Personalized Clinical Shadowing

Thursday, June 29, 2017 in MedEd Center Room 200

Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Personalized Clinical Shadowing

Monday, July 3, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-2:00pm	Many Paths Into Med School Presentation
2:00-4:00pm	Vital Signs
Tuesday, July 4, 2017	
Schedule	Session Title/Topic
	NO CLASS INDEPENDENCE DAY HOLIDAY
Wednesday, July 5, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Activity Rotations: 1. Suturing with Surgery 2. Ultrasound in Clinical Practice 3. Interprofessional Teambuilding
Thursday, July 6, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Activity Rotations: 1. Suturing with Surgery 2. Ultrasound in Clinical Practice 3. Interprofessional Teambuilding
Friday, July 7, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Biochemistry, Biology, General Chemistry, Organic Chemistry and Physics
12:00-1:00pm	Lunch
1:00-4:00pm	Lab Rotations: Gross Lab, Infectious Disease Lab, Cytogenetics Lab
Monday, July 10, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Psychology and Sociology
12:00-1:00pm	Lunch
1:00-4:00pm	Virtual/Live Video Conference Surgery
Tuesday, July 11, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Simulation Center Rotations: 1. Colonoscopy; Arthroscopic Surgery 2. Peg Transfer: Simulating laproscopic surgery 3. Virtual Reality Simulation
12:00-1:00pm	Lunch
1:00-4:00pm (exact time TBD)	Review of Major, Integrated Concepts – Psychology and Sociology
Wednesday, July 12, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Psychology and Sociology
12:00-1:00pm	Lunch
1:00-4:00pm	Practice for Medical School Interviews with Mock Multiple Mini Interviews (MMIs)
Thursday, July 13, 2017 in MedEd Center Room 200	
Schedule	Session Title/Topic
9:00am-12:00pm	Review of Major, Integrated Concepts – Psychology and Sociology
12:00-1:00pm	Lunch
1:00-4:00pm	MCAT Prep Test II & Personalized Feedback
